Introducing Stanley® TV Mounts

Introducing Stanley TV Wall Mounts, produced by a leading global manufacturer of professional A/V mounting and display equipment. The availability of the Stanley brand in the growing market of flat panel TV mounts provides customers with quality products that are simple to install from a company they can trust.

About Us

We design, engineer and manufacture products for the A/V mounting and fixture marketplace. Headquartered in Southern California, we work with our global team to deliver innovative, high quality and cost effective products with exceptional customer service and attention.

The Stanley® TV Wall Mount line offers a wide variety of products for the professional market. Whether it be for the Hospitality, Healthcare industry or Plant Security to Meeting/Break rooms, Stanley mounts provide customers with safe and secure retention. From basic fixed mount products to innovate full motion designs that offer the utmost in performance and design. Our mounts cover medium to extra large TVs and accommodate sizes up to 100". All our products feature Install Made Easy™ installation and operations along with necessary hardware for the amateur to install it. Our mounts are made from the highest quality materials, and engineered for long term performance.
